PRESIDENT'S WELCOME

Welcome to the 2019 Western Australian Education Support Principal and Administrators' Association Awards Night. This year marks the 36th year of our association. I would like to acknowledge the work and dedication from our current executive team, and those through their efforts have made our association what it is today.

Congratulations to, Jessica Bates, Angela Whittington, Amanda Flood, Sara Campbell and Debi Taylor for creating a magical event where centres and schools both metropolitan and regional come together to celebrate the work we do, acknowledge those nominated and share experiences together.

Tonight we celebrate the dedication, innovation and outstanding work by our colleagues. Congratulations to all those nominated. We congratulate those who have brought us to where we are now, those who support students who have disability, and all those recognised tonight for their achievements.

Natalie Hatton
President
